(BLESSING CIRCLE)**

GENERAL INFORMATION

God wants to give us abundant gifts through His blessing. In doing so, He respects our free will. Therefore, we should again and again ask Him for it with childlike faith, and thus open ourselves to His powerful help.

All those who join the “Segenskreis” receive **the blessing of God daily**, which the priests of the “Segenskreis” give in the morning and in the evening. The priest has the power of blessing from Jesus. When he blesses, it is Jesus Christ Himself who blesses.

Who joins the “Segenskreis” is invited to bless daily, be it family members, friends or enemies. Every Christian has received the blessing power through baptism.

Our **motto** is:

***Do not return evil for evil
or reviling for reviling;
but on the contrary bless,
for to this you have been called,
that you may obtain a blessing.***

(1 Pt 3:9)

For serious concerns every member may turn to the address given opposite (please do so in writing).
